

How to Create Passive Income | Affiliate Links

Introduction

- ✓ This resource is designed to make you aware of various methods of creating passive income using affiliate links
- ✓ Passive income allows you to earn money on a regular basis with minimal to no effort to maintain
- ⚠ You can still maintain your integrity and earn money this way, unlike other 'quick fix' methods

Spotter Online | Link Building

Earn money from sports nutrition supplements and equipment that you are already recommending!

- ✓ Very easy to set up [here](#), you can simply login with Facebook
- ✓ Spotter includes discount codes from the retailers
- ✓ Allows you to send links via email or directly from WhatsApp
- ✓ It's a dynamic platform which is growing, don't be afraid to ask them to add products, equipment, supplements and brands
- ✗ Sometimes lower commission than other options

Google Ad Sense | If You Have a Website

Simple way to make money by placing adverts on your website

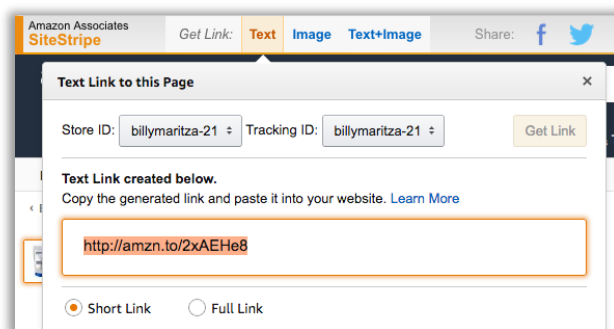

- ✓ Get started by signing up [here](#) for free
 - Note: You will need a Gmail account to join Google Ad Sense
- ✓ Your commission is based on the revenue generated from the ad, then there is a revenue share with Google
- ✗ Ad is created and has 'relevance' on any page based on pixel tracking

Amazon Associates | Affiliate Programme

Add affiliate links to any products on Amazon and receive commission of between 4-12%.

- ✓ Much broader range of products e.g. slow cookers, fit bits, supplements etc.
- ✗ Needs to be done from a computer or web browser, not easily set up or actioned through mobiles
- ✓ Get started by signing up [here](#) for free
 - Tip: the registration requires a URL from a website, if you don't have a website you can use the link from your Facebook profile/page
 - To add your bank details you will need to add your IBAN and BIC number, if you don't know them, you can calculate them [here](#)
- 🔪 Next, go to Amazon page or product you would like to recommend
- 🔪 Use the 'Site Stripe' tool that appears at the top of the page

Tip: for regular links the cookie lasts 24 hours, unless they add it to their cart. In the settings you can select the product to be automatically added to their cart, by doing this the cookie will then last 90 days, [here's how to do it](#)
