### WHAT IS THE TOUR?

I want to pass on the **most important things** I have learned that I now know can **change peoples' lives** for the better. My Tour is the summation of over a decade of **knowledge and experience** working with clients from an array of backgrounds, with a wide range of goals. I have done my very best to condense as much as possible into this single day of learning, for an **extremely low cost**.

### WHO IS THE TOUR FOR?

My Tour is designed to take someone from **Zero to Empowered**.

There are literally **no requirements** to attend my Tour, only an inquisitive mind & an interest in nutrition. Many people come on their **own** to my talks, its a **fantastic opportunity** to meet like-minded people & have many **great discussions**.
